BUSY MONTH IN RECORDER'S OFFICE

The report of County Recorder Murphy for the month of February shows that there were over 700 instruments filed during that month and that the fees amounted to \$1122.10, which is the largest amount received for fees for any one month for a number of years. The filing of the many instruments shows that there is considerable activity in real estate in the county.

A large part of the instruments were deeds for real estate, while the mining end of it was held up by numerous locations, as well as mining deeds. A number of mortgages were also recorded. This is an excellent showing for the month and the present year promises to be the banner one of the county so far as the recording of instruments is concerned, as so far this year the record has been excellent every month.

AGREEMENT SIGNED FOR LEASING SMELTER

TUCSON, March 9.—An agreement was signed yesterday by which the smelter of the Southern Arizona Smelting Company at Saco will be leased to the American Smelting & Refining Company for one year with privilege of extension for another year at \$2000 a month. While no announcement has come from the office of the A. S. & R. Co., in Tucson, it is believed that no time will be lost in blowing her in.

The importance of this news is not only the prospect that a customs smelter will be operated again in the vicinity of Tucson with its attendant stimulation of business, but that it provides a market for the ore from the mining districts of this section at a time when the customs smelters elsewhere are getting near the point of capacity. No matter how high the price of copper, it would not benefit this country, if there were no market for ore.

PREPARING DATA FOR HEARING

PHOENIX, March 9.—Commissioner F. A. Jones, Rate Clerk A. A. Betts and Secretary William Sangster will represent the Arizona corporation commission at the hearing being held for an interstate commerce commission examiner in Los Angeles on March 20.

Back to Florence

Superior Judge O. J. Baughn, of Pinal county, returned to his home at Florence this morning, after having occupied the bench of the Cochise county Superior Court for the past two weeks, while Judge Lockwood has been working on the Pinal County Water priority suit. Judge Baughn goes back to attend to matters that demand attention in his court. In the meantime Judge Lockwood is still at work on the judgment in the water priority case, and Judge A. G. McAlister, of Graham county arrived today and will occupy the bench until the 20th, when if Judge Lockwood has not completed the water case, Judge Baughn will again return, remaining until Judge Lockwood completes the decision, which is anxiously awaited by the farmers of Pinal county. The testimony taken by Referee John Walker covers hundreds of pages of typewritten matter which must be gone through carefully before it can be decided. Judge Lockwood's decision will settle the matter which has long been retarding the development of the Casa Grande valley in and around Florence.

Enthusiastic Annual Meeting

Last Monday evening the annual meeting of the Congregational church was held. It was a very enthusiastic meeting. Reports were read from the various departments of church work, and a very hopeful feeling permeated the whole meeting. A deficit of over \$200, dating back from last summer, was wiped out, and the budget for next year outlined. The question of an addition to the church was boosted. The following officers were re-elected to their respective offices: Dr. H. H. H. Last, pastor; R. B. Vallance, trustee; Mrs. L. M. Wolery, clerk; Mrs. Frances J. Abell, treasurer; E. H. Reeves, assistant; Mrs. R. E. Vallance, collector; E. H. Reeves, assistant. Rev. Albert Amundson was called for another year. After the business meeting, refreshments were served and a very enjoyable social hour was spent, after which all went home feeling that the work was in a very good condition and determined to push it in the future.
